Transfer Credit for Saskatchewan Indian Institute of Technologies (SIIT) Diploma

The University of Regina's Hill School of Business will grant transfer credit to Saskatchewan Indian Institute of Technologies (SIIT) students who are enrolled in or have completed the Diploma Program at SIIT on or after September 1, 2021.

A SIIT program GPA of at least 65% is required for admission to the Paul J. Hill School of Business.

Transfer credit is subject to change, and evaluation is completed on a course-by-course basis after admission.

How it Works

Students with a SIIT Diploma will receive University of Regina transfer credit in the BBA program for a maximum of 60 credit hours for completed courses from the following list.
